

Mini Oven with Two Elements

DESCRIPTION

Not just for grilled cheese on toast!

This mini oven features a 25 litre sealed oven with a proper oven type door and quality stove enamel interior allowing you get decent baking and grilling performance. It also has two electric elements on top so is a good solution for a holiday home, granny flat or motel units. Because it runs on a normal 3-pin plug it is possible to use a maximum of both elements OR the oven and small element at the same time. Easy to clean in white enamelled finish.
